Facebook Giveaways

Let's face it, people love freebies and they want to get it on an easy fun way. Now imagine if you can reach hundreds to thousands of new customers everyday. Introducing Facebook giveaways. The proven strategy to attract new customers, promote your business and build your marketing list.

Here is how easy it works.

- 1 People visit your Facebook page and are asked to Like your page to join the giveaway contest. Making them one of your brand's followers.
- 2 They will be taken to the contest page and ask for information you need to get. After they submit they will instantly get an entry to your contest
- 3 When the contest ends you can randomly select the winner and make that person happy and loyal. Make the rest smile too by giving complementary discounts
